

# **LCETC HOLDS A STRATEGIC PLANNING AND ANNUAL PERFORMANCE PLANNING SESSION**

The Limpopo Community Education and Training (LCETC) hosted a two-day strategic planning session at Euphoria Golf and Lifestyle Estate on the 5<sup>th</sup> and 6<sup>th</sup> of December 2024. The first day of the arrival which is the 4<sup>th</sup> of December 2024, the College Council held an ordinary meeting for the fourth quarter. The college's strategic plan sets the direction for the College in the next five years considering the priorities of the 7<sup>th</sup> administration under the Government of National Unity. The key strategic outcomes were outlined, targets were formulated and the strategies on how targets were to be achieved were developed.

The session was attended by Mr Nape Nchabeleng, the DG in the Office of the Premier in Limpopo Province and Mr LF Ramonyatse, Limpopo Regional Manager. In his address, the DG outlined the provincial government's priorities and the role that LCETC should in assisting government to achieve those priorities. He further emphasised the need for the College to work and partner with other skills development providers in the province to address the skills gaps and deficits to improve the economic outlook of the province.

The Regional Manager reiterated on the support that the Regional Office continues to offer to Limpopo CET College. He highlighted his role in supporting the College to acquire the schools that are idle and unutilised, relocation of centres to TVET campuses and improving students' performance. He appealed to College Council to mobilise resources and prioritise infrastructure development for acquired schools.

In his closing remarks, Prof Kola, Deputy Chairperson of Council thanked all attendees and appealed to every to see to it that the draft documents become living documents and the targets as set are achieved.
